Computing Technology & Coding Bibliography

- Careers for computer buffs & other technological types. Eberts, Marjorie. Collection: Non-Fiction, Call #: 004 EBE
- Technology careers. Graham, Ian. Collection: Non-Fiction, Call #: 004 GRA
- When gadgets betray us : the dark side of our infatuation with new technologies. Vamosi, Rob. Collection: Non-Fiction, Call #: 004.167 VAM
- Going live : launching your digital business. Wilkinson, Colin. Collection: Non-Fiction, Call #: 005.068 WIL
- Artificial intelligence : building smarter machines. McPherson, Stephanie Sammartino. Collection: Non-Fiction, Call #: 006.3 MCP
- Taking sides : clashing views on controversial issues in science, technology, and society. Collection: Non-Fiction, Call #: 303.48 TAK
- Facebook : the company and its founders. Harris, Ashley Rae. Collection: Non-Fiction, Call #: 338.4 HAR
- Computer investigation. Bauchner, Elizabeth. Collection: Non-Fiction, Call #: 363.25 BAU
- Online security. Mooney, Carla. Collection: Non-Fiction, Call #: 364.16 MOO
- How serious a problem is computer hacking?. Netzley, Patricia D. Collection: Non-Fiction, Call #: 364.16 NET
- Social network-powered education opportunities. Mozer, Mindy. Collection: Non-Fiction, Call #: 371.33 MOZ
- Careers in high tech. Basta, Nicholas. Collection: Non-Fiction, Call #: 620 BAS
- Careers in Internet technology. Steffens, B. Collection: Non-Fiction, Call #: 621.39 STE
- Robotics : discover the science and technology of the future, with 20 projects. Ceceri, Kathy. Collection: Non-Fiction, Call #: 629.892 CEC
- Growing your digital business : expanding your social web. Wilkinson, Colin. Collection: Non-Fiction, Call #: 658.8 WIL
- Careers in digital animation. Furgang, Kathy. Collection: Non-Fiction, Call #: 777 FUR
- Goodnight iPad : a parody for the next generation. Droyd, Ann. Collection: Non-Fiction, Call #: 818 DRO
- Google it : a history of Google. Redding, A. C. Collection: Non-Fiction, Call #: 920 RED
- Jeff Bezos and Amazon. Kallen, Stuart A. Collection: Non-Fiction, Call #: 921 BEZOS
- Steve Jobs : the brilliant mind behind Apple. Imbimbo, Anthony. Collection: Non-Fiction, Call #: 921 JOBS
- Mark Zuckerberg and facebook. Kallen, Stuart A. Collection: Non-Fiction, Call #: 921 ZUCKERBERG
- Cyberbullying and cyberthreats : responding to the challenge of online social aggression, threats, and distress. Willard, Nancy E. Collection: Professional, Call #: PROF 302.3 WIL
- 50 things you can do with Google Classroom. Keeler, Alice. Collection: Professional, Call #: PROF 371.33 KEE
- Milestones in computer science and information technology. Reilly, Edwin D. Collection: Reference, Call #: REF 004 REI

Activities Beyond the Hour of Code

1. [Alice](#)
2. [Auto Hotkey](#)—free—simple shortkey programming for students; requires download
3. [Build with Chrome](#)—kind of like Minecraft, more like Google Earth Warehouse; use virtual Lego blocks to build in your browser
4. [Code Avengers](#)
5. [Code Monster](#)
6. [Code.org](#)
7. [Gamestar Mechanic](#)—design video games
8. [Hakitzu](#)—learning through games
9. [Khan Academy Computer Science](#)
10. [Lego Digital Designer](#)
11. [Looking Glass—animated story](#)—offshoot of Alice
12. [Minecraft](#)
13. [Notepad](#)—coding using the Windows Notepad
14. [Python](#)
15. Robotics—using NXT and Lego Mindstorm
16. [Scratch](#)—here's a [Scratch tutorial](#) for Hour of Code.
17. [Snap!](#)—[runs in your browser](#)
18. [Tinkercad](#)—3D modeling—free—perfect for 3D printing
19. Windows Property menu—create a shortkey for any Windows tool through properties.
20. [Wolfram Alpha widgets](#)
